Although we are still surrounded by ice, summer and Middle Bass Nature Camp are coming soon! This year's camp will take place over two weeks: June 23-27 for My First Nature Camp, Nature Camp, and Environmental Adventure Camp 1 and July 28-August 1, 2014 for a joint Environmental Adventure Camp 2 with Put-in-Bay. See the attached Registration Form for proposed times and age groups.

This year's Nature Camp theme will be Water! The younger children will be learning about turtles, wetlands, aquatic invaders, and water quality in our lake and caves. Environmental Adventure Camp 1 will visit Kayak the Bay, spend a day exploring island wetlands, fish with Captain Pat Chrysler, and camp at Middle Bass's Roesch Campground. Environmental Adventure Camp 2 will explore the wetlands on Middle Bass, go on a kayak scavenger hunt at Put-in-Bay, fish with Captain Pat Chrysler, and camp on Kelleys Island.

The overnight Campouts for Adventure Camps will again be optional. To register for an overnight campout, the camper must have at least completed Environmental Adventure Camp 1 that week or in the past. Priority will be given in Campout registration to those who have signed up for the accompanying Environmental Adventure Camp.

We will have nametags/neck wallets and water bottles for each camper this year to use and take home on the last day. The younger children will make t-shirts to take home with a wetland theme. All camps will include special take home items on the last day.

If your child or children are interested in attending, please fill out the included Registration Form and Permission Form and return as soon as possible. Remember to include a $10 registration fee (check payable to Middle Bass Local School District) with your registration form. Questions, please call Lisa Brohl at 419-366-2087.

Advance registration is required. Space is limited. CHILDREN WILL BE ENROLLED IN THE ORDER THAT THE COMPLETED APPLICATION & PERMISSION FORMS ARE RECEIVED.
